2. Following the recent enactment of legislation granting educational allowances to classified employees, payment of foreign nationals tuition was referred to General Counsel. The attached reference recommends that such allowances be included in the foreign national wage scale.

3. Position Evaluation Division is aware of [ ] ventual intention to overhaul the [ ] structure after certain technicalities are resolved. However, the inclusion of the schooling allowance cannot await such over-all revision, because the employees concerned will be required to pay the tuition upon registration in September.

4. It is therefore proposed that an annual salary increase of [ ] be granted for each child between the age of six and nineteen registered in grades 1 through 12 at the [ ]

5. Approval is recommended.
